**Agriculture & Fisheries**

The British Institute of Agricultural Consultants (BIAC)  
[www.biac.co.uk](http://www.biac.co.uk)

This site largely provides information about BIAC rather than any specific careers information, sector facts or news.

**British Society of Soil Science (BSSS)**  
[www.soils.org.uk](http://www.soils.org.uk)

This society aims to promote the study of soil through research and education. Within the education section there is a list of university courses which include soil science as part of the degree programme.

**Croplife International**  
[www.croplife.org](http://www.croplife.org)

This federation works to promote the plant science industry. The site contains a number of articles and reports on the plant science industry, crop protection and pesticides.

**The Guild of Agricultural Journalists**  
[www.gaj.org.uk](http://www.gaj.org.uk)

Membership of this society is not restricted to journalists. The guild also supports reporters, broadcasters, photographers and media specialists working in agriculture, horticulture and rural industries.

**Institution of Agricultural Engineers (IAgrE)**  
[www.iagre.org](http://www.iagre.org)

The IAgrE is the professional body for the land-based sector; this includes all professions in the agricultural sector as well as allied industries such as forestry, horticulture and the environment.

**Institute of Animal Technologists - careers brochure**  

The IAT’s purpose is to advance knowledge and promote excellence in the care and welfare of animals in science and to enhance the standards and status of those professionally engaged in the care, welfare and use of animals in science.

**LANTRA**  
[www.lantra.co.uk](http://www.lantra.co.uk)

Lantra is the Sector Skills Council for the environmental and land-based industries. Also try [www.lantracoursefinder.co.uk](http://www.lantracoursefinder.co.uk/)

**Career with Animals**  
[www.careerwithanimals.co.uk](http://www.careerwithanimals.co.uk)

This site covers an enormous range of jobs which relate to animal care, health, welfare, training and equipment.

**Centre for Environment, Fisheries & Aquaculture Science**  
[www.cefas.defra.gov.uk](http://www.cefas.defra.gov.uk)

Cefas is an executive agency of the UK's Department for Environment, Food and Rural Affairs (Defra).

**Department for Environment, Food and Rural Affairs (DEFRA)**  
[www.gov.uk/defra](http://www.gov.uk/defra)

DEFRA is a UK government department whose remit is to ensure a healthy environment in which everybody can prosper.

**Environment Agency**  
[www.environment-agency.gov.uk](http://www.environment-agency.gov.uk)

The Environment Agency is a public body that aims to protect the environment and promote sustainable development.

**Environmental Careers**  
[www.environmentalcareers.org.uk](http://www.environmentalcareers.org.uk)

The Environmental Careers site is a specialist source of information for careers in the environment.

**EnvironmentJobs.co.uk**  
[www.environmentjobs.co.uk](http://www.environmentjobs.co.uk)

Vacancies site in collaboration with Green Directory.

---

**Horticulture and Forestrys**

**Arboricultural Association**  
[www.trees.org.uk](http://www.trees.org.uk)

A leaflet titled ‘a guide to qualifications and careers in arboriculture’ can be downloaded from the publications page.

**Institute of Horticulture**  
[www.horticulture.org.uk](http://www.horticulture.org.uk)

Within the ‘useful links’ the Institute has provided a list of education and course providers and details of organisations that may be able to offer work experience placements.

**Forestry Commission**  
[www.forestry.gov.uk](http://www.forestry.gov.uk)

The Forestry Commission is a government department that delivers practical approaches to ensure that as individuals and as a community we utilise the forests and woodland and the benefits they offer.

**Grow**  
[www.growcareers.info](http://www.growcareers.info)
Grow has been set up by a number of large organisations with interests in horticulture such as English Heritage, LANTRA and the Institute of Horticulture. Although this site is part of a schools information package the job profiles could still be of interest when researching whether a career in horticulture is for you.

Royal Horticultural Society  
www.rhs.org.uk  
The RHS is a charity promoting horticulture and gardening.

Arbjobs.com  
www.arbjobs.com  
This is a job vacancy board which lists opportunities for arboriculturists, arborists and climbers in the UK and Ireland.

Horticulture Week  
www.hortweek.com  
This website is aimed at keeping professionals working in horticulture up-to-date, informed and provides a platform for discussion. This site also contains a useful careers section (click on ‘jobs & careers’).

Horticulture Jobs  
www.horticulturejobs.co.uk  
This is a horticulture job vacancy site which can be searched by job area, region, salary or job function.

King’s CareerConnect  
www.kcl.ac.uk/careerconnect  
King’s CareerConnect is our exclusive online career portal enabling students and recent alumni to engage with our services. Once logged in, you can access our vacancy board and search hundreds of part-time roles, placements, internships and graduate-level opportunities, book one-to-one careers or application guidance appointments, apply for exclusive King’s Internships and view our full events calendar to book attendance at our many events throughout the year.
